Press Release

An author's predictions come true!

Revolutions in the Middle East, political unrest in the states—what's next?

Chicago—June, 2011 – The world at large is unraveling! Between turmoil in the Middle East, U.S. military missions in Libya, and civil unrest at union bargaining tables, Dick Hrebik, retired marine and author, either has a crystal ball or an uncanny sense of intuition. His eerily accurate predictions come to life in his upcoming book *The Warrior Among Us*, a science fiction/political thriller.

From Hrebik's imagination, the extraordinary events that seem implausible have now morphed into reality. World events play out in *Warrior* that are strikingly similar to the current political scene we read about every day. From the shores of the Middle East to the bargaining tables in the U.S., Dick Hrebik spins a tale combining the reality of today with the hope for a better tomorrow. His unusual hero, Deke, will stop at nothing to make sure that he conquers the evil forces that threaten to destroy his newfound home—planet Earth. Released by Windy City Publishers in June, 2011, *The Warrior Among Us* will take you on a rollercoaster ride through not only the planet, but the galaxy as well.

"Dick Hrebik has written a fascinating and creative work that gives a unique perspective on the timely issues that face us today. It is an interesting and compelling read."

General Anthony C. Zinni
USMC (Retired)

"The author is an historian and storyteller with a message for America. This-bigger-than-life, how-could-this-be tale is convincingly plausible ... and highly readable."

David Lawrence Jr.
Former Publisher of *The Miami Herald* and
President of the Early Childhood Readiness Foundation

Hrebik brings an amazing amount of life experience, adventure, and spirit to everything he does. Since retiring from a career in the U.S. Marine Corps and corporate America, he is often traveling, making wine at Vint Hill Craft Winery in VA, entertaining audiences with his stories, or writing his blog: *Silent Generation Speaks: Listen Up*—where he's not afraid to engage in controversial subjects.

The Warrior Among Us will be available on June 28, 2011 from Windy City Publishers <http://www.windycitypublishers.com>, <http://www.amazon.com>, and <http://www.bn.com>. Visit www.dickhrebik.com.

ISBN: 978-0-9819505-8-7 – Paperback – 260 pages – \$12.99
